HISTORY OF THE WARREN FAMIY OF ENGLAND
From a Letter Written by Monie Rush
(Copied by Mary Ellen White)

Sir Edward of Warren, born in 1563, was High Sheriff of England, knighted in 1599 while serving in the Irish Wars. Was 16th in lineal descent from William Warren.

William Warren II, was in Virginia between 1633 and 1640. This second generation of Warrens, William, immigrated to York Co., Virginia and first married Pet Rogers, then second wife Mary Hackley. He died in 1726 in Spottsylvania Co., Va.

Third generation; William Edward, born 1660, married Elizabeth_____.

Fourth generation: Thomas, Elizabeth, John, William, Mary (died 1748), Left 6 children. Rachel Warren left 4 sons. One son was Thomas Hackley Warren. This large family lived in Spottsylvania Co., Va. and later moved to Halifax Co., Va.

Fifth generation; Thomas Hackley Warren had 6 sons and 6 daughters. The sons were Charles, William Hackley, Jackson, Reuben, Aaron, and Moses Warren. (Moses Warren was out great grandfather.)

Sixth generation: Moses Warren married Sidney Carter, an orphan girl who lived several years with his family before he married her between 1796 and 1800. Moses and Sidney Carter Warren had 12 children two died in infancy - one who died in infancy was named Emanuel (b. 1830). [Note: I think she is wrong about this. I found a record in Laud. Co. Archives that Emanuel grew up and died (unmarried) in the Civil War. His estate was probated in the Co. Probate Court in Meridian. I also found other records where he was mentioned in other court records before he left to fight. M.E.W.] Serena, born in 1817, married a Mr. Newton (The parents of Rev. Henry Newton, Baptist minister who died a few years ago.) Lucritia was born in 1819 and married a Saddler. (Cousin Mary Ann Warren's parents. She died in Neshoba Co a few years ago when she was 104 years old.) Sarah, called Sally, married a man namemd Meeks. Died in 1908. James Calloway Warren, our grandfather, was born in 1824 and was killed at Lovejoy, Ga. in Sept. 1864 during Civil War. He was a Captain. He married Mary Elizabeth Gully. Charles was born in 1826, married Judy Bruton, died in Cleburne, Texas in 1921. Thomas Hackley Warren, named for his grandfather, was born in 1834 and lived to be 90 years old. He married Nannie Chandler. He spent his last years in Meridian, Miss. and died there. Samuel was born in 1836 and died in 1864. Jackson was born in 1838 and married Martha Rodgers. [WRONG! Martha Rodgers married Martin V. Warren Nov. 7, 1861 in Pine Springs, Lauderdale Co., Miss. Record on file @ Courthouse. Also information came from Rodgers family records.-M.E.W.]

William Calloway Warren was born May 18, 1832 in Green Co., Ala. Died in North Miss. This history was collected by his son, Harry Warren of Waterford, Miss. in Oct. 1939. It is very sketchy and incomplete as to dates and places where they lived. I have it typed and copied it. [This was written before she placed a copy in Meridian Library where I found it.-M.E.W.]

Am sure there are mistakes and discrepancies in the history -
- for instance, the Rachel Warren spoken of in 4th generation possibly was 2nd wife of Thomas and Mary who died in 1748. May have been his first wife. And my grandfather Jamew Calloway Warren had a brother William Calloway - Strange, two brothers having the same middle name. Don't know where they got the name Calloway.

You see, Moses, our great grandfather and William Hackley, your great grandfather, were brothers, and that Thomas of Spottsylvania Co., Va. was their father and our great-great grandfather. Do not know of a Warren family Bible old enough to be of any help.

Don't know of a what the M stands for in so man of the names. Dr. Mark Warren died at Macon I think, several years ago. He married Anna Rush. He was probably the son of Mark M. Warren who died in Neshoba Co. [Miss.]

We knew the old set of Key's, Coreson[?]. Betsy's grandchildren (I mean Ellizabeth Warren who married Abel Key) and a lot of her descendants still live in Kemper Co. Her oldest grandson, John Key, died within a mile of us last Feb. He was 84. Another one of Gus(?) [illedgeable] lived and died about 2 miles from us.

The world famous surgeons, Drs. Lowry and Leslie Rush of Rush Memorial Hosp. in Meridian, are great grandsons of Abel and Elizabeth Key. Their grandmother was Julia Key who married Wm. V. Rush, and their father was Dr. Hack Rush. Dr. Lowry Rush demonstrated his invention, the steel pin for fractured bones, at a world-wide meeting of surgeons in Berlin, Germany a few years ago [I believe this happened shortly before W.W.II -M.E.W.]

NOTE: I don't know when this was written. It was given to me by a friend who was also looking for the Warren family. I received it in the late 1980's when I needed to know about the family of Moses Warren for a book I was writing about Pine Springs Community in Lauderdale Co., Miss. It appears that the lady had not looked in Lauderdale Co. records at our courthouse. Apparenty she did not know that Moses Warren had died in Lauderdale County. -Mary Ellen White.

MOSES WARREN

Moses Warren, one of the twelve children of Thomas Hackley Warren, was born in Georgia in 1794. The Warrens were from an old Virginia family, very wealthy, who had always been planters. Moses grew up on his father's plantation where he enjoyed a gentleman's life of comfort and gracious living.

Southerners, always known for their hospitality, enjoyed having house-guests. Relatives sometimes came for a short visit and ended up staying with their hosts for weeks at a time. It is not surprising that the Warrens took a ward to live in their home. Sidney Carter, a child that had been orphaned, was taken in and made to feel one of the family. She stayed with the Warrens for several years, and then she and Moses fell in love and were married when she turned sixteen years old. Sidney was sixteen in 1816.

As Thomas Hackley's children were married and started families, several of them left Georgia to begin plantations of their own. (It is believed that some of the Warrens moved to Covington County, Mississippi, as there was a Joseph Warren and a Hackley Warren both in the 1820 Covington County census.) Moses and Sidney Warren moved to Greene County, Alabama. The date of their arrival in Greene County is not known, but some of their children gave their birthplace as Alabama.

Between 1832 and 1834, the Moses Warrens moved to Mississippi. Their son, Hack Warren, was born in Mississippi in 1834. However, they are not listed in the Lauderdale County census until 1860. It is not known where they were living in Mississippi before they bought land and moved to Pine Springs in the 1850's.

Moses Warren bought land in Pine Springs in Section 10 from William W. Stokes sometime in the 1850's. The exact time is not known because Moses never saw the necessity to have the deed recorded at the court house. It must have been that as long as he had the deed in his hand there is now way at this time to find out when he came.

The house was made of hand-hewn squared logs and was made to last.

Sometime in the 1850's, Moses Warren bought land in Section 10 of Pine Springs, Mississippi, from William W. Stokes. He came with his slaves and had a well-constructed ~~home~~ ~~xxxxxx~~ home built that had a fireplace in each room. There was a hand hewn staircase that led to the two rooms on the upper floor where the young men of the family slept. They had a neat split-rail fence around the yard where Sidney directed the slaves as they planted shrubs and made a flower garden. ~~They~~ ~~xxxxxx~~

History of the Warren Family of England
Sir Edward of Warren born 1563, was High
Sheriff of England; knighted in 1599
while serving in the Irish wars. Was 16
in lineal descent from William Warren

William Warren, the second, was in
Va. between 1632 and 1640. This 2nd
generation of of Warrens — William em-
igrated to West York Co., Va. and first
married Pet Rogers then secondly
— as Mary Hackley. He died in 1726 in
Spotsylvania Co., Va.

Third generation — William Edward born
1660. Married Elizabeth —
Fourth generation Thomas, Elizabeth, John
William, Mary (died 1748) Left 6 children
Rachel Warren left 4 sons. One son was
Thomas Hackley Warren. This large family
lived in Spotsylvania Co., Va. and later
moved to Halifax, Co., Va.

Fifth generation — Thomas Hackley Warren
had 6 sons and 6 daughters. The sons
were Charles, William Hackley, Jackson,

2

Peuben, Aaron, and Maser Harren ^(Maser was our great-grand-father)

Sixth generation - Maser Harren married Didney Carter, an orphan girl, who lived several years with his family before he married her between 1796 and 1800.

Maser Harren married (as before stated) Didney Carter and they had 12 children. Two died in infancy - One who died in infancy was named Emanuel (born 1830). Dereen was born in 1817 and married a Mr. Newton. (The were parents of Rev. Henry Newton, Baptist minister who died a few years ago). Lucretia was born in 1819 and married a Dadler. (Cousin Mary Ann Harren's parents. She died in Neshota Co. a few years ago when she was 104 years old). Barck called Becky married a man named Meeks. Died in 1908.

James Cellosay (our grandfather) was born in 1821 and was killed at Locey, Va. in Sept. 1864, (during Civil War. He was a Captain.) He married Mary Elizabeth Kelly.

Charles was born 1826, married Judy Bruton died in Clburne, Tex in 1921.

Thomas Shackley (named for his grandfather) was born in 1834 and lived to be 80 years old. He married Nannie Chandler. He spent his last years in Meridian, Miss and died there.

3

Daniel was born in 1836 and died in 1864.
Jackson was born in 1838 and married Martha
Rodgers. ^{WRONG:} ~~Martha Rodgers~~ m. MARTIN V. WARREN, NOV 7, 1861, LAUDERDALE
~~Co.~~ ^{Ms.}
~~Remember no data on him. It is my~~
~~impression he never married.~~

William Calloway was born May 18, 1832 in
Green Co., Ala. Died in North Miss. This history
was collected by his son, Harry Warren
of Waterford, Miss. in Oct. 1939. It is very
sketchy and incomplete as to dates and
places where they lived - I have it typed
and copied it -

Am sure there are mistakes and dis-
crepancies in the history - For instance, the
Rachel Warren spoken of in 4th generation
possibly was 2nd wife of Thomas and Mary
who died in 1748 may have been his first
wife.

And my grandfather James Calloway had a
brother William Calloway - Strange, 2 broth-
ers with same middle name. Don't know
where they got the name Calloway -

You see Moses, our great grandfather, and
William Shackley, your great grandfather were
brothers - and that Thomas of Shackley branch
W. Va. was their father and our great great grandfath-

Do not know of a Warren family Bible
old enough to be of any help

Don't know what the M. stands for in
so many of the names. Dr. Mark Warren died
at Macon I think some years ago. He married
Anna Rush. He was probably the son of Mark M. Warren
who lived in Georgia Co.

The legend: The wife of Key's, Leon
Oetys, ^{grandchildren} ~~she of~~ (I mean Elizabeth Warren
who married Abel Key and a lot of her
descendants still live in Kemp. Her
eldest grandson, John Key, died in a mile
or less last Feb. He was 84. Another one
lived and died about 2 miles from
us.

The more famous surgeon, Dr. Lowry
and Lucie Rush, of Rush Meridian Heebster
in Meridian are great grandsons of Abel
and Elizabeth Key. Their ^{grandmother} ~~grandmother~~ was Julia Key
who married ^{and Dr. Lowry was her father} ~~John~~ Rush. Dr. Lowry Rush
demonstrated his invention, the steel pin
for fractured bones at a world-wide meet-
ing of surgeons in Berlin, Germany a
few years ago.

Dear Mrs. White,

Mable Vincent gave me your address. I purchased your book "The first Hundred Years of Pine Springs Community of Lauderdale County Miss." I really enjoyed the book. I was especially interest in the information on the Warren family. Thomas Hackley Warren was my great grandfather.

I understand that you got some of the information on the Warren family from a hand written book at the Meridian library. Is this true? If it is will you please copy this book for me? I would pay you for making the copies and for shipping & handle.

Would you please let me know. Looking forward to hearing from you.

Sincerely,

Pearl Guy

Dear Mrs. Guy,

I am sorry to be so late answering your letter; I have been out of town a good bit lately.

So many descendants have written for addition information on their particular family they found in my book that I have been overwhelmed with request such as yours. I am presently writing another book, so my research time is limited, at present, as is my pocketbook.

Due to my lack of time I am forced to turn away those whose family will require a lot of "digging". I can only send information that I have already collected in connection with the writing my Pine Springs book, or on any other local information I can readily find.

It has become necessary for me to charge a fee for those I can help. My fee is \$7 per hour, plus any expenses that may occur (copying, postage, travel, etc.) along the way.

If you would like for me to send you what I have, I would be pleased to do so for my regular fee. I can send what I have on your Warren family for \$10 plus any further copying and postage expenses required.

If you wish me to send a copy of what I have, I would be able to get started on it as soon as you send me your check for \$10. A bill for my other expenses will be sent along with your information. These expenses, in your case, would be minimal.

If you would like more information on your Warren family than I can provide, you may want to write to Anita Jo Ross, 302 Rossie Smith Road, Meridian, Miss. 39301. She does genealogical research for individuals for a fee and has more time to spend on research than I have at present.

I never knew the Warrens - they were before my time - but I grew up in Pine Springs with the Vincent family and hold them in high regard. They are a fine folks.

Let me know what you decide to do.

Yours truly,

Mary Ellen White

Dear Mrs. White:

I purchased your book "The First Hundred Years of Pine Springs Community of Lauderdale County Mississippi," a few months ago. I can't tell you how much this book means to me and my mother. Thank you so much for writing it.

My mother and I have been doing research for a couple of years on THOMAS HACKLEY WARREN AND GEORGE W. CHANDLER & families. We had a death certificate on Thomas Warren that said his father's name was John. We were trying without any success to find this John. Several others had told us they believed that his father was Moses, but we had no way to link our Thomas H. Warren to Moses. Your book made believers out of us. Combining the data in your book and personal knowledge of my mother it all came together. You can't imagine the joy it brought us when we found your book in the Library at Pascagoula and read all about our family. Mom never new her grandparents and very little about them, except that they were from Meridian. Mom (Hazel Raley Moore) is the daughter of Clara Warren that married James Harvey Raley. Mom was born in Meridian and moved to Mobile as a very young child and was raised there.

We would like to contact some of our relatives. Maybe obtain some photo's and other information. Could you maybe help us? Can you tell us who you interviewed to get all this wonderful information. We would be forever grateful.

Heneritta Warren married a White. Is this any relations to you? Do you know of a source where we could find some photo's. We know that James L. Warren and Thomas C. Warren once owned the "White House Cafe" in Meridian.

We are also searching The Chandler Family. Could you give us a lead to some relatives.

Hope to hear from you soon. Thanks again for the wonderful book.

Sincerely,

Rosalyn Satterwhite
